THE WILDERNESS YEARS ARE OVER

26 years later... the legendary series Streets of Rage is finally back with a brand new episode.  
With lush hand-drawn animations, new combat abilities and fresh tracks from an amazing team of composers including Yuzo Koshiro, Kenji Yamagishi, Harumi Fujita, Motohiro Kawashima, Oliver Deriviere and Tee Lopes, Streets of Rage 4 is a masterful return of the classic action series fan have long waited for.

Mr. X long defeated and a period of 10 years has passed. The world on the street is corruption is once again rife within the police force. Right to the top. A new criminal empire has arisen.  
The question of who is controlling both the office and the gangs? To what end is their influence? Is their motivation power or revenge? Axel and Blaze team with their old friend's daughter the guitar-wielding Cherry Hunter, along with Floyd Iraia, an apprentice of the brilliant Dr. Zan.  
Together these vigilantes stand against this wide spread Synchronize.

Get ready to bring the justice. You can go solo, or team up for 2 player online or up to 4 players locally. Featuring 17 playable characters including 12 in classic pixel art. Beautiful animated graphics. Classic gameplay enhanced with brand-new mechanics. 12 unique stages. New game modes. Find secrets along the way.

Bring your bare knuckles, guitar, steel fists and more to deliver a brand of justice you have been made famous for. Reconnect with old friends, Meet new foes. Experience arcade time wimps. Watch stylized cut scenes. Streets of Rage 4 is a return to form delivering visuals, story and mood.
